

presentation systems

System Source is a full service presentation systems company. Our specialists provide a wide range of services including system design, installation and maintenance.

“I appreciate how everyone works as a team. They make it happen, on time and on budget. I respect their recommendations.”

Tom Lentz, Manager, Office Automation Support
Sheppard Pratt Health System

Menu of Services

Evaluation of Needs - We visit your site, listen to your needs and recommend the best presentation system for your requirements. Needs may include conference rooms, distance learning classrooms, content management and digital signage.

System Design - Incorporating needs, existing conditions, functionality and user interface.

Video and Audio Conferencing - High definition installations are coordinated with bandwidth provisioning. Equipment can be integrated into presentation rooms or set up for mobile use.

Equipment Recommendation - Authorized by leading audio-visual manufacturers including Crestron, LifeSize, Polycom, Extron, Samsung, Epson, NEC, Sharp, Shure, ClearOne, Sony, Mediasite and AMX.

Installation - Components assembled, prewired, tested and then integrated on-site using ICIA certified technicians.

Training - Your personnel will be trained to use the new presentation system.

Support - Installation workmanship is guaranteed for 90 days.

Rental - Rental equipment is available within 3 hours of your call.

Content Management - Capture live presentations for archiving and retrieval.

System Source Benefits

High Customer Satisfaction - We always receive accolades for our service. Each customer is surveyed to ensure the highest service level.

Experience - System Source has sold and rented computers and presentation equipment since 1981.

Help When Needed - Service and support is available 24 hours a day, 7 days a week.

Full Service - System Source provides system integration services. A single point of contact coordinates IT infrastructure, training, procurement, rental, service, support, internet and consulting services.
